Facility: **Office** **G-10,UDYOG MANDIR NO. 2, MOGUL LANE, MAHIM (W)**
Factory **MUMBAI-400016 INDIA**
PLOT NO. A-399, ROAD NO.28, LANE L4, WAGLE
INDUSTRIAL ESTATE, THANE-400604, INDIA

Product Description: **HANDRAIL**

Model No.: **HANDRAIL-WESTRAIL**

EC Council Directive: **Regulation (EU) No. 305/2011**

Harmonized Standard: **EN 1090-1:2009+A1:2011**

The revalidation of this CE Certificate, is based on re-evaluation of documentation in relation to the product samples, voluntary test results, renewed Declaration of Performance (DoP) by the organization dated 22nd July, 2025, and the surveillance audit WILL have held on 23rd July, 2026. The original certificate of conformity is based on an evaluation of documentation in relation to product samples, voluntary test results, a declaration of performance (DoP) by the manufacturer dated 17th June, 2024 and a Factory Production Control (FPC). This attestation is made on the basis of the particular samples of the mentioned products medical disposal, as provided during the submission of the technical documentation, presumption of legitimacy of data related to test results and the witnessed test methods during the Production Control audit. Voluntary tests have been performed against BS EN 1090-1:2009+A1:2011 and the reports are indicative of the description of samples. Initial type testing & Production Control is performed by the manufacturer, as per the characteristics, for which the product is intended to be used as declared in the DoP. EVCIL maintains a copy Declaration of Performance and the submitted test results.

The product complies with the principle production requirements of the said directives based on voluntary test. This attestation applies to the product models only, and its technical documentation provided for testing & certification. The detailed test results and standard(s) used as well as the operation mode are listed and verified. The certificate does not permit the usage of EVCIL Logo. The applicant of the certificate is authorized to use this certificate in connection with EC Declaration of Performance, limited to the appropriateness of the technical report & documentation.

The validation of this CE Certificate is based on evaluation of documentation in relation to the product samples, voluntary tests & reports as mentioned in the Technical Construction File (TCF-01), Declaration of Conformity (DoC) by the Organization.
